

## Helen Grogan Tuition

### Registration for an Assessment Form

Assessments take place during our usual term times at: The Hampshire School, Manresa Road, Chelsea. SW3 3NB.

Please arrive approximately 5 minutes before your assessment is due to start. You will be expected to leave your child with us and we will tell you what time to return for a private discussion with us about the results.

Your child will be given a reading age test, for younger candidates a spelling test, a standardised maths test and some English comprehension. These tests will enable us to compare your child with our data base of candidates and give you a reasonable idea of what school similar candidates gained entry too.

The debrief session should take approximately 20 to 30 minutes. If you require further information or explanation about anything please feel free to contact us for another consultation. We do not usually return the papers to parents as we like to keep the maths tests out of general circulation.

The charge for an assessment is £125. BAC payment is required before the assessment
